# **Our Community: A Conversation about Future Directions for Health Services and Policy Research in Canada**

Robyn Tamblyn

Scientific Director, Institute of Health Services and Policy Research

CAHSPR Conference, May 14, 2014

# Objectives

1. Update the CAHSPR community on the pan-Canadian Vision and Strategy for HSPR initiative and share the results of the strategic analysis and Priorities Forum
2. Garner the CAHSPR community's input on go-forward HSPR priorities for Canada
3. Learn from international experiences about building and sustaining a robust HSPR enterprise and future HSPR priorities

# A pan-Canadian Vision and Strategy for Health Services & Policy Research

## What are we doing?

Collaborating with partners and the community to **develop a pan-Canadian vision and strategy for health services and policy research.**

## Why?

To coordinate HSPR investments and partnerships that align with strategic priorities shared across the country and that strengthen the HSPR enterprise and position Canada as a leader in the evidence-informed improvement of health and health system outcomes.
