

Thank you once again for registering for the live webcast of the *Advancing Quality through Regional Clinical Governance Policy Forum* taking place on Thursday, March 31st, 2016.

Testing your System to View the Webcast

The website below is a representation of the webcast player application that will be used for the live event. It contains a video loop which runs 24/7 and requests the viewer to contact the webcast team if they cannot see video or hear audio. It is highly recommended that all webcast participants try this site prior to the live event so as to avoid any last minute technical issues.
