

CONCURRENT SESSIONS A: TUESDAY, MAY 29, 2018 - 10:30AM – 11:45AM

Stream 1	Access & Equity	46 Maude Laberge <i>Immigration status and potentially avoidable hospitalizations: factors affecting the “healthy immigrant effect”</i>	103 Alan Katz <i>Ambulatory care sensitive conditions (ACSC): Deconstructing the Construct</i>	84 - Josée Gabrielle Lavoie <i>Expanding the space for equity-oriented primary healthcare: Policy requirements</i>	198 - Hajizadeh Mohammad <i>Socioeconomic inequalities in the prevalence of psychological distress and suicidal behaviors among Indigenous peoples living off-reserve in Canada</i>
Stream 2	Mental Health	529 - Dan Chateau <i>Health care and social service use by individuals with mental health diagnoses at the transition from pediatric to adult care</i>	54 - David Rudoler <i>Unwarranted variation in psychiatric care intensity</i>	233 - Hailey Saunders <i>Potential economic impact of a peer navigator program in an emergency department in Ontario</i>	465 - Chiachen Cheng <i>Conducting Fidelity to Standards Assessment: implications for program decision-makers</i>
Stream 3	Chronic Disease Management	249 - Edward Chau <i>Effect of continuity of care on the risk of developing multimorbidity in Ontario, Canada between 2001 - 2015: A retrospective cohort study</i>	167 - Allannah Li <i>Accumulating multimorbidity: the role of depression, socioeconomic status, and other factors</i>	298 - Julia Ho <i>“It’s a fight to get anything you need” — Accessing care in the community from the perspectives of people with multimorbidity</i>	264 - Harsukh Benipal <i>Effectiveness and Safety of Oral Anticoagulants for Seniors Following Hospital Discharge</i>
Stream 4	Collaborative Healthcare Improvement Partnerships	407 - Shelley Doucet <i>Implementation and evaluation of NaviCare/SoinsNavi: A navigation centre aimed at improving access to care for children with complex health conditions</i>	534 - Eric VanSpronsen <i>Evaluating the Edmonton Zone Triple Aim Initiative: building and implementing a shared measurement system for healthcare improvement with complex, vulnerable clients.</i>	335 - Grace Warner <i>Using case management functions to connect patients and their family caregivers nearing end of life with informal and formal community-based services/supports; A realist review.</i>	555 - Paula Bush <i>Content Validation of a Practice Guide for Organizational Participatory Research</i>
Stream 5	Health Economics/Financing/Funding	564 - Sergei Muratov <i>Healthcare Costs and Mortality Among Incident Senior High Cost Healthcare Users (HCU) in Ontario: Regional Variation and Care Efficiency</i>	364 - Sergei Muratov <i>Incident Senior High Cost Users in Ontario: Predictors of Urgent Index Hospitalizations</i>	487 - Yingjun (Victoria) Zhu <i>The Concepts of Canadian Population Grouping Methodology and Its Application</i>	489 - Heather Worthington <i>Changes in Out-of-pocket Health Care Expenditures by Canadian Households from 2010 to 2014</i>
Stream 6	Health Human Resources	100 - Sarah Simkin <i>Integrated Service Focused Health Workforce Planning at the Regional Level: Advice for the Toronto Central Local Health Integration Network Primary Care Strategy</i>	123 - Christian Rochefort <i>Can minimum nurse-to-patient ratios reduce patient mortality in acute care hospitals: A cohort study</i>	502 - Lindsay Hedden <i>Assessing Physician Retirement using Licensure Data: Are Policy Makers Overestimating the Size of the Physician Workforce</i>	224 - Adrian MacKenzie <i>Why is the number of Nova Scotians unable to find a regular family physician rising?</i>
Stream 7	Patient Engagement	452 - Doreen MacNeil <i>Exploring drivers and variations in positive care experiences in Canadian hospitals</i>	142 - Kyle Kemp <i>Results from the Canadian Patient Experiences Survey of Inpatient Care (CPES-IC): A Descriptive Study from 93 Alberta Hospitals</i>	86 - Paul Moayyedi <i>Patient Engagement and Involvement of a Broader Range of Health Care Professionals Changes Clinical Guideline Decisions: A comparison of two Irritable Bowel Syndrome (IBS) clinical guidelines using the same data</i>	126 - Kirk Furlotte <i>Minimizing and misinterpreting: Young men, sexual health, and help-seeking behaviour</i>
Stream 8	Primary Healthcare	294 - Mylaine Breton <i>Learning from centralized waiting lists for patients without a primary care provider across seven Canadian provinces</i>	341 - Caroline King <i>Measuring patient attachment in primary health care in the context of enrolment policies in Quebec and British Columbia, 2000-2016</i>	292 - Mélanie Ann Smithman <i>How policy changes influenced the design of an organizational innovation to improve access to primary care for vulnerable populations: a participatory action research</i>	458 - Terrence McDonald <i>The Association Between General Practitioner (GP) Patient Volumes and Health Outcomes</i>

CONCURRENT SESSIONS B: TUESDAY, MAY 29, 2018 - 12:45PM – 2:00PM

Stream 1	Access & Equity	242 - Peter Tanuseputro <i>Material Deprivation and Residential Instability are Associated with Increased Avoidable Mortality in Ontario, Canada, a Population-Based Study from 1993 to 2014</i>	45 - Nicole Doria <i>Canadian medical schools: Summary of admissions and support programs for Indigenous students</i>	44 - Jordan Boudreau <i>Effectiveness of current curricula in adequately preparing Dalhousie University health professional students to work with Indigenous peoples</i>	69 - Karen Lawford <i>Mapping maternity care services for First Nations women in Manitoba</i>
Stream 2	Chronic Disease Management	183 - Ryan Ng <i>The incidence of first chronic disease over the adult life course</i>	56 - Claire de Oliveira <i>Determining preventable acute care spending among high-cost patients</i>	248 - Sara Guilcher <i>Examination of prescription drug use following a traumatic spinal cord injury using Ontario administrative health data</i>	289 - David Stock <i>Impact of chronic disease on Alternate Level of Care utilization in the Nova Scotia acute care population</i>
Stream 3	Primary Healthcare	596 - Liisa Jaakkimainen <i>Using family physician Electronic Medical Record data to measure the pathways of cancer care</i>	567 - Ruth Lavergne <i>Practice intentions among Canadian family medicine residents</i>	238 - Lindsay Hedden <i>The Five Types of Urban Family Doctors: The Implications of Style and Scope of Practice for Health Human Resources Planning</i>	290 - Arnaud Duhoux <i>Improving accessibility, efficiency and quality of care: How Integrated Primary Care Teams (IPCT) stand out?</i>
Stream 4	Mental Health	516 - Deepa Singal <i>In-Utero SSRI and SNRI Exposure and the Risk of Long Term Adverse Mental and Educational Outcomes in Children: A Population-Based Retrospective Cohort Study Utilizing Linked Administrative Data</i>	525 - Natasha Saunders <i>Somatic symptom and related disorders among children and youth: patterns of health system use and costs.</i>	439 - Hina Ansari <i>Trends in utilization of Consultation-Liaison Psychiatry Services at an Ontario Paediatric Hospital</i>	507 - Alene Toulany <i>Association Between Primary Care Continuity and Acute Mental Health Outcomes in Transition-age Youth with Severe Mental Illness</i>
Stream 5	Health Human Resources	237 - Damien Contandriopoulos <i>We could do better: Results from a ten-year longitudinal analysis of Quebec's physician compensation models</i>	389 - Roxane Borgès Da Silva <i>Les infirmières et médecins sont-ils utilisés de façon optimale à l'hôpital ?</i>	218 - Catherine Brown <i>How are physicians delivering palliative care? Describing the mix of generalist and specialist palliative care models in the last year of life</i>	539 - Linda McGillis Hall <i>A Comparative Analysis of the Change in Pass Rates on the Nurse Licensing Exam for Canada's Nurses: Implications for Health Human Resources</i>
Stream 6	Health Policy, Healthcare Reform, and Health Accord (includes priority setting, politics)	524 - Siyana Kurteva <i>Patterns of opioid utilization in the 90-days post hospital discharge and risk of re-admissions and emergency department visits</i>	33 - Lynda van Dreumel <i>Medical Assistance in Dying: Residential Hospice policy formulation in Ontario.</i>	92 - Lesley Soril <i>Moving Low Value Care Lists into Action: Prioritizing Candidate Health Technologies for Reassessment Using Administrative Data</i>	98 - Li-Anne Audet <i>Association between nurse education and experience and the risk of mortality and adverse events in acute care hospitals : a systematic review of the literature</i>
Stream 7	Health System Performance (includes quality, safety, efficiency, leadership)	269 - Joseph Amuah <i>Defining frailty in acute care: Development of a frailty measure to inform quality of care</i>	334 - Naira Yeritsyan <i>The Palliative Care Quality Standard: Guiding evidence-based, high-quality palliative care in Ontario</i>	245 - Nadia Sourial <i>Comparing trends in health system performance in men and women diagnosed with dementia: a population-based study in Ontario</i>	615 - Katie Aubrecht <i>Leadership, Collaboration & Creativity: Critical to Person- and Family-Centred Continuing Care Service Delivery for Older Adults with Dementia and Psychiatric Comorbidities</i>
Stream 8	Data Mining/Big Data Analytics	598 - Alexandra Constant <i>Solving preventable hospital readmissions with an appropriate risk prediction tool</i>	65 - Aaron Jones <i>Comparing the performance of several machine learning and conventional statistical methods for prediction of hospital and emergency department utilization among community-dwelling older adults</i>	520 - Stacey Fisher <i>Dementia Population Risk Tool (DemPoRT): Predictive Algorithm for Assessing Dementia Risk in the Community Setting</i>	196 - Cathy Zhang <i>Using text analytics to explore physicians' questions about opioids: the CMPA experience</i>

CONCURRENT SESSIONS C: TUESDAY, MAY 29, 2018 - 2:30PM – 3:45PM

Stream 1	Data Mining/Big Data Analytics		315 - Danial Qureshi <i>Place of Care Trajectories in the Last 2 Weeks of Life: A Population-based Cohort Study of Ontario Decedents</i>	519 - Tannaz Mahootchi <i>Capacity Planning for Community-Based Dementia Health Care Services in Ontario; Using Administrative Health Care Databases and Agent-Based Simulation Methods</i>	543 - Guido Powell <i>Harnessing Big Data and Advanced Computing to Guide Transformation Towards Value-Based Health Systems</i>
Stream 2	Cancer	435 - Julia Abelson <i>Supporting mammography screening policy in the face of uncertainty: Citizen and mammography program policy perspectives</i>	467 - Colene Bentley <i>Support for reassessing post-approval cancer drugs: results from a series of public deliberations on cancer drug funding in Canada</i>	400 - Upasana Saha <i>Cost-effectiveness analysis of the CALM psychosocial intervention for patients with advanced cancer</i>	190 - Michael Wolfson <i>Public Health Mode Personalized Medicine – Risk Stratification for Breast Cancer Screening</i>
Stream 3	Pharmaceutical Policy	201 - Qi Guan <i>Evaluating the Impact of Delisting High Strength Opioids on Opioid Use in Ontario</i>	475 - Heather Worthington <i>The Impact of a Household-level Deductible on Drug Use Among Lower Income Adults</i>	232 - Simon Hollands <i>Pharmaceutical Promotion, Shared Patient Networks and Second Generation Antipsychotic Prescribing</i>	263 - Maude Laberge <i>Classification Methodology and Small Area Variation Analysis of Prescription Drugs in a Publicly Insured Senior Population</i>
Stream 4	Access & Equity	350 - Samiratou Ouédraogo, Farah N. Mawani, Fatheema Begum Subhan, Jane Polsky, Jonathan Lai, Meaghan Sim <i>Contributions of CIHR Health System Impact Fellows to Equitable Health Systems across Canada</i>			
Stream 5	Knowledge Translation & Exchange (includes KTE methods)	417 - Rebecca Ganann <i>Co-design, production, and usability testing of a communication toolbox for delivering evidence-informed health information to older adults</i>	474 - Monika Kastner <i>Evaluation of a conceptual framework (KaT) for creating KT tools and products: A Delphi study</i>	134 - Ebele Mogo <i>Testing integrated knowledge translation processes to improve the participation of children with disabilities in British Columbia in physical activity</i>	320 - Kylie Kidd Wagner <i>A PRACTICAL, EVIDENCE-BASED APPROACH TO BRIDGING THE VALLEY OF DEATH IN HEALTH SYSTEM INNOVATION</i>
Stream 6	Mental Health	568 - Matthew Meneear, Nadiya Sunderji, Rachelle Ashcroft, Ruth Lavergne <i>The future of collaborative mental health care in Canada: Moving from vision to reality</i>			
Stream 7	Health System Performance (includes quality, safety,	28 - Jeanie Lacroix, María José Santana, Sandra Zelinsky, Susan Brien, Lena Cuthbertson, Kira Leeb <i>What Matters to Patients: Integrating patients' experiences into healthcare design, delivery and evaluation</i>			
Stream 8	Home Care & Long Term Care and Aging	404 - Janice Keefe, Carole Estabrooks, Ivy Bourgeault, Denise Cloutier <i>Adding Life to Years for Long Term Care Residents</i>			

CONCURRENT SESSIONS D: WEDNESDAY, MAY 30, 2018 - 10:15AM – 11:30AM

Stream 1	Patient Engagement	409 - Joé T. Martineau, Antoine Boivin, Nicolas Fernandez, Eric Racine, Ghislaine Michèle Rouly <i>Ethical issues associated with partnering with patients in healthcare research</i>
Stream 2	Health System Performance (includes quality, safety, efficiency, leadership)	62 - Carole Estabrooks, Matthias Hoben, Tim Rappon <i>System change in residential long term care: The Translating Research in Elder Care (TREC) program of research</i>
Stream 3	Collaborative Healthcare Improvement Partnerships	157 - Lise Bjerre, Christine Power, Susan Sepa, Regis Vaillancourt <i>The Development of a universally accessible Canadian Medication Guide: A Panel Discussion</i>
Stream 4	Collaborative Healthcare Improvement Partnerships	8 - Merrick Zwarenstein <i>Learning Health Systems (LHSs) speed healthcare improvement</i>
Stream 5	Health Policy, Healthcare Reform, and Health Accord (includes priority setting, politics)	280 - Meaghan Sim, Jonathan Lai, Katie Aubrecht, Ivy Cheng, Mark Embrett, Margaret Saari, El Kebir Ghandour, Megan Highet, Rebecca Liu, Christiane Pereira Martins Casteli, Samiratou Ouédraogo <i>Driving change: Reflections and experiences of CIHR Health System Impact Fellows as embedded researchers</i>
Stream 6	Knowledge Translation & Exchange (includes KTE methods)	418 - Jay Shaw, Laura Desveaux, Payal Agarwal, Jennifer Hensel, Rhonda Wilson, Sacha Bhatia <i>Evaluation at the speed of implementation: Insights for scale-up and spread of virtual care technologies</i>
Stream 7	Health Policy, Healthcare Reform, and Health Accord (includes priority setting, politics)	344 - Robert Rivers, Barbara Farrell, Marc-Andre Gagnon, Tara Gomes, Steven Morgan <i>Health Research in Action: the Experience of Engaging Government Health Policy Makers with Evidence</i>
Stream 8	Big Data	133 - Stephanie Garies, Tyler Williamson, Andriy Koval, Lisa Lix, Dr. Claudia Sanmartin <i>Big data, big opportunities: exploring careers in population data science</i>

CONCURRENT SESSIONS E: WEDNESDAY, MAY 30, 2018 -12:30PM – 1:45PM

Stream 1	Access & Equity	50 - Lisa Boucher <i>Engagement in primary health care among marginalized people who use drugs in Ottawa, Canada</i>	229 - Brenna Bath <i>Gaps in access to care: self reported use of family physicians, chiropractors and physiotherapists among adult Canadians with chronic back disorders</i>	230- Brenna Bath <i>Geospatial access to physiotherapy services in Canada: mapping physiotherapist use and distribution</i>	125 - Kirk Furlotte <i>Understanding long-term care needs of older gay and bisexual men</i>
Stream 2	Pharmaceutical Policy	326 - Heather Worthington <i>What happens to drug utilisation and expenditure when cost-sharing is removed? An example from British Columbia, Canada .</i>	391 - Jocelyn Rioux <i>DRUG USE AMONG SENIORS IN CANADA, 2016</i>	463 - Ashra Kolhatkar <i>The consequences of patient charges for prescription drugs in Canada: A cross-sectional survey</i>	459 - Ashra Kolhatkar <i>Patterns of borrowing to finance out-of-pocket drug costs in Canada: results from a national survey</i>
Stream 3	Health System Performance (includes quality, safety, efficiency, leadership)	186 - Paul Holyoke <i>Why some patients who don't need hospitalization can't leave: A case study of reviews in 6 Canadian hospitals</i>	166 - Yelena Petrosyan <i>Health care costs and outcomes associated with surgical site infection: a retrospective cohort study</i>	296 - Natalie Wiebe and Lucia Otero Varela <i>Effectiveness of interventions for improving inpatient electronic health record documentation: A Systematic Review</i>	446 - Alexander Yurkiewich <i>Improving the Measurement of Equity across Health System Performance Data</i>
Stream 4	Primary Health Care	358 - Ruth Lavergne <i>Cross-provincial comparison of searches for walk-in clinics and emergency departments using Google Trends</i>	427 - Simone Dahrouge <i>The feasibility of integrating a non-clinical patient navigation in primary care practices to enhance Access to Resources in the Community (ARC) – the ARC study</i>	419 - Amélie Cardinal <i>An innovative model of navigation services to improve Access to Resources in the Community (ARC) – patient profile, resource referrals, and social barriers to access</i>	397 - Andrea Perna <i>Access to Resources in the Community (ARC): Provider and Patient Perspectives of a Non-Clinical Patient Navigator in Primary Care.</i>
Stream 5	Knowledge Translation & Exchange (includes KTE methods)	105 - P. Alison Paprica, Kimberlyn McGrail, Walter Wodchis <i>Advice or Advocacy? A Real-time Qualitative Study of Participants Views.</i>			
Stream 6	Maternal and Child Health	504 - Leah Crockett <i>Early childhood health and educational outcomes of late preterm infants in Manitoba: A retrospective cohort study</i>	508 - Leah Crockett <i>Characteristics and predictors of pediatric emergency department use in Manitoba: A population based study</i>	505 - Alyson Mahar <i>Current knowledge and needs of Canadian paediatricians delivering healthcare to children and youth in military families</i>	172 - Kamala Adhikari Dahal <i>Disparities in caesarean section rates by maternal socioeconomic status differs across diverse obstetric indications</i>
Stream 7	Mental Health	246 - Shannon Struck <i>Bully Victimization and Binge Drinking and Smoking Among Boys and Girls in Grades 7 to 12 in Manitoba</i>	234 - Michael Paille <i>Clinical mental health and pharmaceutical characteristics of individuals with an alcohol use disorder</i>	152 - Evgenia (Jenny) Gatov <i>Burden of Alcohol Use Disorders in the Emergency Department: A Population-Based Cohort Study in Ontario, Canada</i>	322 - Jennifer Hensel <i>Pragmatic randomized controlled trial of an on-line mental health platform among individuals seeking specialized mental health services in Ontario</i>
Stream 8	Home Care & Long Term Care and Aging	588 - Lorraine Frisina, Ali Hamandi, Amélie Quesnel-Vallée, Colleen Flood, Deirdre DeJean <i>The Future of Long-Term Care and Home Care: What Canada Can Learn from International Experiences</i>			

CONCURRENT SESSIONS F: WEDNESDAY, MAY 30, 2018 -2:15PM – 3:30PM

Stream 1	Primary Health Care	347 - Tim Tenbense <i>Are innovative models of community-based primary health care able to traverse the 'barbed-wire fence' between primary medical and non-medical care, and if so, how?</i>	501 - Sara Kreindler <i>Why Is Soft Integration So Hard? Assessing System-Level Strategies for Primary Care Renewal in Manitoba</i>	131 - Tujuanna Austin <i>Program Integration in Primary Care: Challenges, Enablers, and Leadership</i>	267 - Richard Buote <i>Exploring Opportunities to Optimize the Organization of Primary Healthcare Services for Individuals with Chronic Diseases Across Newfoundland & Labrador (NL)</i>
Stream 2	Patient Engagement	175 - Julia Abelson <i>Supporting high-quality public and patient engagement: Assessing the feasibility of the Public and Patient Engagement Evaluation Tool (PPEET)</i>	401 - Sujane Kandasamy <i>Supporting high-quality public and patient engagement in Ontario's health system: Results from the implementation of the Public and Patient Engagement Evaluation Tool (PPEET)</i>	594 - Reham Abdelhalim <i>Measuring Patient Experience: A Framework to Assess Patient Experience with Integrated Care</i>	587 - Lilian Jia Lu Lin <i>The role of social identity in informing strategies for organizational-level patient engagement</i>
Stream 3	Maternal and Child Health	285 - Marni Brownell <i>No Strings Attached: The Impact of an Unconditional Prenatal Income Supplement on First Nations Birth and Early Childhood Outcomes</i>	374 - Christine Kurtz Landy <i>Factors Maternity Care Providers Consider When Counselling Women about a Trial of Labour after Caesarean Section (TOLAC): Findings from a Discrete Choice Conjoint Experiment</i>	454 - Priatharsini (Tharsini) Sivananthajothy <i>Power and Knowledge: Understanding how Migrant Women and Canadian-born Women Participate in Obstetrical Decision-Making</i>	453 - Deepa Singal <i>In-Utero SSRI and SNRI Exposure and the Risk of Neurodevelopmental Disorders in Children: A Population-Based Retrospective Cohort Study Utilizing Linked Administrative Data</i>
Stream 4	Mental Health	64 - Angela Ly <i>Redéfinir les services de santé mentale pour les jeunes: De la recherche à l'action</i>	66 - Holly Mathias <i>"It's Part of My Survival": Navigating Access to Youth Mental Health Services and Supports in a Rural Nova Scotia Community</i>	283 - Mark Embrett <i>Engaging vulnerable and disadvantaged populations in the experience based co-design (EBCD) and implementation of public services: the case of youth mental health</i>	466 - Roula Markoulakis <i>Involving Families with Lived Experience in Mental Health and/or Addiction Service Design and Implementation</i>
Stream 5	Survey Research Methods	122 - Tarun Katapally <i>Do school physical activity policies and programs have a role in decreasing multiple screen time behaviours among youth?</i>	144 - Lauren Griffith <i>Comparison of Self-Report vs. Administrative Data in Defining Multimorbidity</i>	256 - Lauren Griffith <i>The Impact of Chronic Condition List on Prevalence and the Relationship between Multiple Chronic Conditions and Disability, Social Participation and Health Service Use: Data from the Canadian Longitudinal Study on Aging</i>	286 - Stephanie Prince Ware <i>Developing surveillance survey modules for national health surveys: an example from the Physical Activity, Sedentary Behaviour and Sleep (PASS) Indicator Framework.</i>
Stream 6	Health System Performance (includes quality, safety, efficiency, leadership)	456 - Jenna Evans <i>Managing the Performance of Cancer and Renal Services in Ontario: Stakeholder Perspectives and a Research Agenda</i>	468 - Jenna Evans <i>Assessing the Delivery of Integrated Care to Patients with Chronic Kidney Disease in Ontario: Patient and Provider Perspectives</i>	533 - Justin Lee <i>Medication Predictors of High Cost Healthcare Use Among Older Adults</i>	573 - Marie-France Duranceau <i>Implementation of Integrated Care Pathways: a developmental evaluation of a Quebec Integrated Academic Health and Social Services Centre (IAHSSC) project</i>
Stream 7	Health Economics/Financing/Funding	498 - Selena Hussain <i>Lung Cancer-Related Clinical and Economic impacts of Achieving a 5% Smoking Prevalence by 2035</i>	302 - Katherine Sun <i>Alternative Level of Care Days: Non-payment for poor quality in Ontario hospitals</i>	589 - Emmanuel Guindon <i>The impact of supplementary prescription drug insurance and cost-sharing on drug use, health services utilization and health in Canada: a systematic review</i>	601 - Walter Wodchis <i>The Impact of Bundling Care on Acute Hospital Use: Real world evidence from Ontario's Integrated Funding Models</i>
Stream 8	Home Care & Long Term Care and Aging	193 - Michael Wolfson <i>Long Term Care (LTC) and Canada's Aging Population</i>	606 - Valerie Ward <i>Formal caregivers' experiences in the provision of MAiD: A scoping review</i>	386 - Alicia Costante <i>Access to Palliative Care in Canada</i>	449 - Mengzhu Jiang <i>Comparing physician palliative care service delivery across end-of-life trajectories</i>

CONCURRENT SESSIONS G: THURSDAY, MAY 31, 2018 - 8:30AM – 9:45AM

Stream 1	Health System Performance (includes quality, safety, efficiency, leadership)	370 - Christina Hackett <i>Co-designing for quality: Creating a user-driven prototype to measure quality in youth mental health services</i>	422 - Alexandra Harris <i>Articulating the Strategic Value of Knowledge Resources: Results of a Case Study Exploring Nursing Intellectual Capital and Hospital Performance</i>	12 - Adriane Gear <i>Is violence part of the job? Are violence prevention policies enough?</i>	443 - Robin Hayeems <i>Development and validation of the multi-dimensional index of clinical utility: a novel outcome measure for genomic medicine</i>
Stream 2	Maternal and Child Health	500 - Dan Chateau <i>Prescription Opioid Use and Concurrent Psychotropic Drug Use During Pregnancy: A Population-Based Retrospective Cohort Study Utilizing Linked Administrative Data</i>	136 - Kristine Kroeker <i>Evaluating area-based socioeconomic status predictors of pediatric health outcomes in Manitoba</i>	137 - Celia Rodd <i>Increased prevalence and severity of high blood pressures in children using the 2017 AAP guidelines: A case-control study to characterize the new disease burden</i>	204 - Sangmin Lee <i>Non-adherence to maintenance medications for women with inflammatory bowel disease differs by drug class during pregnancy</i>
Stream 3	Mental Health	200 - Mohammad Hajizadeh <i>Risk factors associated with sexual misconduct in the Canadian Armed Forces: Does it vary by sex and environmental command?</i>	239 - Evgenia (Jenny) Gatov <i>Prevalence of past history of abuse among male and female psychiatric inpatients in Ontario, Canada: a population-based study.</i>	328 - Marichelle Leclair <i>Effectiveness and cost-effectiveness of Housing First for mentally ill homeless people with different patterns of criminal justice involvement</i>	112 - Sebastian Rios <i>The Role of Supportive Housing and Marginalization on Readmissions to Inpatient Psychiatry</i>
Stream 4	Healthcare Reform and Policy / Knowledge Translation	436 - Sarah Bowen <i>"Missing in Action: The absence of evidence of support for health system leaders in health system partnership research"</i>	189 - Élizabéth Côté-Boileau <i>How to build transformative capacities among organizational actors through public healthcare reforms: a realistic evaluation</i>	158 - David Snowdon <i>Peer review of physiotherapists managing patients with hip fracture can improve compliance with guidelines: a before-and-after observation study</i>	433 - Marie-Claire Ishimo <i>Success factors and challenges in implementing, scaling up and sustaining health innovations in a changing context: Case of Tunisia</i>
Stream 5	Patient Engagement	579 - Ping Mason-Lai <i>Researcher and Patient Competencies For Meaningful Patient Engagement in Health Research: Are you ready?</i>	143 - Clayon Hamilton <i>Development of a questionnaire to assess the quality of patient-researcher partnerships</i>	117 - Louisa Edwards <i>The PREFeR (PRIoriEtes For Research) Project: Patient priorities for primary care research in British Columbia</i>	330 - Maman Joyce Dogba <i>Co-design d'une infrastructure de soutien et de coordination des partenariats de recherche avec les patients-citoyens</i>
Stream 6	Primary Health Care	216 - Lauren Lapointe-Shaw <i>Follow-Up, Return to Hospital, and Death After Hospital Discharge During the December Holiday Period: The Home for the Holidays Study</i>	343 - Pooria Ghadiri <i>Aberrant behavior shared in social media for prescription medication abuse</i>	63 - Anne Hudon <i>Influence des politiques organisationnelles sur les soins de physiothérapie pour les travailleurs blessés</i>	194 - Simon Deslauriers <i>Un modèle de collaboration interprofessionnelle entre physiothérapeutes et médecins de famille afin d'améliorer la prise en charge des personnes atteintes de troubles musculosquelettiques en première ligne</i>
Stream 7	Access & Equity	384 - Christina Catley <i>Asthma hospitalizations decreasing among children and youth in Canada: gaps remain by income and education level</i>	393 - Jonathan Sussman <i>Associations between socioeconomic status and receipt and completion of cancer treatment and supportive care in Ontario, Canada</i>	444 - Elizabeth Lin <i>Mortality and other 'bad' outcomes for adults with intellectual and developmental disabilities (DD): Implications for policy and planning</i>	188 - Anna Durbin <i>Prevalence of intellectual and developmental disabilities among newcomers, and the health and health service use of this group: A retrospective cohort study</i>
Stream 8	Home Care & Long Term Care and Aging	313 - Ashlinder Gill and Sarah Spurin <i>The relationship between receipt of home care at the end of life, cost and place of death: A population-level retrospective cohort study</i>	48 - Karen Pacheco and Robert Talarico <i>Where are all the Veterans? A population-based analysis of length of stay in nursing homes in Ontario, Canada</i>	118 - Steve Patterson <i>Factors associated with entering facility-based long-term care in Nova Scotia</i>	156 - Stephanie Chamberlain <i>Going it alone: Quality of care and quality of life of unbefriended residents in long term care</i>

CONCURRENT SESSIONS H: THURSDAY, MAY 31, 2018 - 10:15AM – 11:30AM

Stream 1	Mixed Methods	542 - Grant Russell <i>OPTIMIZE: A collaborative intervention designed to improve the accessibility and quality of primary care delivered to refugees in Australia.</i>	583 - Mary-Ann MacSwain <i>High Cost Healthcare Use on PEI</i>	349 - Serena Humphries <i>Innovations in Health Service Delivery - Critical Success Factors for Implementing Evidence Based Health Protection Programs in Primary Care</i>	323 - Owis Eilayyan <i>Promoting the use of a self-management strategy among novice chiropractors treating individuals with spine pain: A mixed methods pilot cluster-clinical trial</i>
Stream 2	Cancer	515 - Ania Syrowatka <i>What predictors of new-onset distress are available in routinely collected administrative health databases? A population-based cohort study of breast cancer patients</i>	59 - Diego Llovet <i>Reasons for lack of follow-up colonoscopy among persons with a positive fecal occult blood test result for colorectal cancer screening: qualitative findings from Ontario</i>	477 - Hsien Seow <i>Early palliative care in the community: A propensity score matched cancer cohort including novel interRAI covariates</i>	406 - Ilja Ormel <i>Bringing Netflix technology to video narratives of experiences of breast surgery: helping women navigate the information tsunami</i>
Stream 3	Access & Equity	170 - Maxwell Smith <i>Is 'Health Equity' Bad for the Public's Health? A Qualitative Study of Public Health Policy-Makers' Perspectives</i>	356 - Sarah Funnell <i>Places of death and places of care for Indigenous people in Ontario: a retrospective cohort study</i>	319 - David Snowden <i>Reducing waiting time in ambulatory and community health services: A Stepped Wedge Cluster RCT</i>	483 - Miranda Saroli <i>Building Capacity for Overcoming Systemic Inequities in Healthcare Access and Quality, and Health Outcomes</i>
Stream 4	Patient Engagement	506 - Deirdre McCaughey <i>The Future State of Patient Engagement? Personal Health Information Use & Attitudes Towards Health</i>	293 - Grace Cheung <i>Patient Engagement in Primary Care: Results from the Commonwealth Fund's 2017 Survey of Older Adults in 11 Countries</i>	114 - Bryanna Nyhof <i>Exploring patient engagement for women with ductal carcinoma in situ: A qualitative study</i>	340 - Mei Chen <i>Generating Self-care Information through Machine Learning for Supporting Patient Self-management of Chronic Disease</i>
Stream 5	Chronic Disease Management	613 - Laurie Goldsmith <i>Designing a Patient Navigator Intervention for Supporting Total Knee Arthroplasty Patients Using Patient Engagement</i>	119 - Patrick McGowan <i>Role and Effectiveness of Telephone Peer Coaching for Persons with Type 2 Diabetes.</i>	604 - Zhiying Liang <i>Uncontrolled High Blood Pressure and Mild Cognitive Impairment Risk at Baseline of the Canadian Longitudinal Study on Aging Study</i>	578 - Sonya Cressman <i>Patient reported quality of life and personal financial impact following treatment for rare blood cancers: A longitudinal study</i>
Stream 6	Qualitative Research Methods / Emerging methods	455 - Allie Peckham <i>Conducting Environmental Scans for Comparative Policy Analysis</i>	411 - Andrea Smith <i>Rapid qualitative reviews – a scoping review of existing guidance and examples</i>	351 - Sophiya Garasia <i>Clinical outcomes and health care use in medically uninsured populations in Canada: a systematic review</i>	93 - Sahar Saeed <i>REAL WORLD IMPACT OF DIRECT ACTING ANTIVIRAL THERAPY ON PATIENT REPORTED OUTCOMES</i>
Stream 7	Home Care & Long Term Care and Aging	373 - Sarah Spruin <i>Trajectories of cognitive decline among people needing long-term care in Ontario</i>	457 - Brittany Barber <i>Experiences of health and aging: Younger adults with disabilities in long-term care</i>	609 - Frances Morton-Chang <i>Integrated care as boundary spanning: Organizational workarounds in the delivery of community-based primary health care</i>	208 - Cristina German <i>Shaping the future of Canadian residential care: creating an organizational decision support tool</i>
Stream 8	Statistics/ Econometrics	162 - Susan Bronskill <i>Risk of fall-related injuries in residents of nursing homes receiving low-dose trazodone compared to benzodiazepines: a matched cohort study</i>	241 - Laura Maclagan <i>Is cholinesterase inhibitor (ChEI) use and discontinuation during transition to long-term care associated with frailty: a population-based cohort study</i>	79 - Kathy Kornas <i>Validation of a prediction model for the top 5% of health system users: High Resource User Population Risk Tool</i>	272 - Susan Bronskill <i>Survival among long-term care residents aged 75 years and older prescribed intensive-dose and moderate-dose statins: a propensity-score matched cohort study</i>
