

Last Name	First Name	Abstract ID	Name of Presentation
Ahmed	Sadia	29	How to measure cultural competence when evaluating patient-centred care: A scoping review
Ahmed	Sadia	51	Identifying Areas for Improvement in Pediatric Inpatient Care: Analysis of Surveys from 14 Alberta Hospitals
Aho-Glele	Ursulla	108	Strategies used in the institutionalization of patient engagement in risk management: The case of Quebec's healthcare organizations.
Altin	Natasha	472	Access to Assistive Technology for older adults in Canada
Altin	Natasha	595	Shaping the future of Northern Canadian rehabilitation practice through global innovations.
Audet	Li-Anne	99	Association between nurse education and the risk of mortality and failure to rescue in acute care hospitals : a longitudinal study
Awil	Fatah	11	Measuring Integrated Care's Reliance on Caregiver Support: A Caregiver Experience Survey
Babinski	Stephanie	58	Experiences of using medical cannabis in different regulatory contexts: planning an international qualitative study. Preliminary results: narrative synthesis and methods
Bhatia	Dominika	116	Influence of chronic comorbidities on colorectal cancer screening adherence in Ontario, Canada: A population-based cohort study
Bourgeault	Ivy	4	Dietitians' approach to discussing weight in team-based primary care settings in Ontario
Brath	Hana	243	Preventing, Detecting and Reversing Prescribing Cascades: A Scoping Review
Bronskill	Susan	241	Is cholinesterase inhibitor (ChEI) use and discontinuation during transition to long-term care associated with frailty: a population-based cohort study
Burge	Frederick	255	Primary care performance measurement in Canada: Progress and next steps of the TRANSFORMATION Study
Burns	Diane	68	Health Equity Data and Tools: Regional Cancer Program Needs Assessment
Burns	Diane	437	Health Inequities/disparities in Receipt of Cancer Care in Countries with Universal Health Systems
Canfield	Carolyn	109	Building a Nation of Partners for Canada's Health Systems: emergence of a community of practice, The Patient Advisors Network (PAN) / Réseau des patients partenaires (RPP)
Carter	Michelle	215	Promoting Best Practice Standards: Development of an Early Psychosis Integrated Care Pathway in a Psychiatric Inpatient Setting
Cetin-Sahin	Deniz	141	Factors Influencing the Implementation of Elder-Friendly Emergency Department Care: Health-care Providers' Perceptions
Chartier	Mariette	287	Do Home Visiting Programs Improve the Well-Being of First Nations Children and Parents?
Cheng	Ivy	251	A Tale of Two Healthcare Systems between 2012 and 2016: Success of Reaching Ontario Government Emergency Department Time Targets between a Canadian and Australian Academic Tertiary Level Hospital
Chiocchio	François	379	Managing risk in navigation implementation research: an evidence-based project management approach
Chisholm	Ashley	160	Trendspotting- The use of forecasting in nursing associations to prepare for the future
Chouinard	Maud-Christine	590	Working together: the place of community organizations and community pharmacies in case management program for frequent users.
Chu	Maria	31	2018 Prevention System Quality Index: Health Equity
Chudyk	Anna Maria	168	Reflecting on models and frameworks of patient engagement
Cooper	Sarah	176	The Impact of Primary Care on Outcomes in Vulnerable Children: A Population-Based Retrospective Cohort Study in Quebec, Canada
Côté-Boileau	Élizabeth	191	From local settings to large-scale system transformation: spreading, sustaining and scaling healthcare innovations
Daniel	Imtiaz	301	Use of Data Mining Techniques for Quality of Hospital Reporting Surveillance
de Moissac	Danielle	95	Comparison of Messaging on Research Collaboration by French and English Health Region Websites: Results of a National Review
Desveaux	Laura	266	A realist evaluation of a mobile application to improve diabetes self-management: What works, for whom, and in what circumstances?
Dionne	Emilie	207	Multi-service integration of care in Primary Health Care in Canada: Identifying Priority Services and Programs for children and youth with high functional needs and community-dwelling older adults experiencing functional decline.
Doria	Nicole	76	Creating a tool for evidence-informed health policy: Identifying the research and policy conditions that enabled the Nova Scotia Health Atlas
Doria	Nicole	425	Town of Troutville, where people discuss fairness issues
D'Souza	Adam	307	Improving the Coding Completeness of Hypertension in Inpatient Administrative Health Data Using Machine Learning Methods
Edwards	Louisa	104	Quality of life and wellbeing in seniors enrolled in a non-medical home support program: results from a longitudinal survey of the Better at Home program
El Adam	Shiraz	324	The Effect of Increasing Minimum Wages on Adverse Birth Outcomes in Canada
Erdman	Sarah	210	Impact of inclement weather on risk of falls and fall-related injuries
Filiatreault	Sarah	300	UMBRELLA REVIEW OF HIP FRACTURE PRACTICE GUIDELINES WITH A SYNTHESIS OF RECOMMENDATIONS FOR THE PRE-OPERATIVE PERIOD
Furlotte	Kirk	161	Totally OUTright in Nova Scotia: Educating Young GB2STQ+ Men as Sexual Health Leaders
Garies	Stephanie	223	Enhancing primary care electronic medical record (EMR) data in Alberta by quality assessment, data processing, and linkage to administrative data
Gauthier	Alain	261	Using an integrated knowledge translation approach to develop a multi-site RCT protocol: The Access to Resources in the Community (ARC) study
Hajjzadeh	Mohammad	199	Does unwanted childbearing lead to adverse health care utilization and health outcomes for mother and child? Evidence from 48 developing countries
Hammami	Nour	135	Chronic disease risk behaviour clusters and their associations with overweight and obesity among a large sample of youth in the COMPASS study: gender-specific, repeated cross-sectional analyses.
Hammami	Nour	187	Prediction of BMI based on latent classes of chronic disease risk factor is only evident among male youth: gender stratified longitudinal analyses among a large sample of youth in the COMPASS study.
Hastings	Stephanie	91	Distribution of Registered Nurses in Alberta
Hegagi	Mehdi	180	Prognosis of Pancreatic Cancer Patients Receiving Home Care
Highet	Megan	30	Research into Action: Applying a Systems Thinking Approach for Academic Research that Impacts Health Policy.
Hodgins	Marilyn	288	COLLABORATIVE LONGITUDINAL INVESTIGATION OF TRANSITION FROM HOSPITAL TO HOME: A FEASIBILITY STUDY
Hofmeister	Mark	271	Comparing International Perspectives Within a Trial-Based Economic Evaluation: the Syncope Pacing or Recording In The Later Years Trial
Huyer	Gregory	150	Long-Term Care Placement and Mortality After Dementia Diagnosis: A Population-Based Study
Huyer	Gregory	250	Transitions of Care for People with Dementia: Predictive Factors and Health Workforce Implications
Kamal	Fatima	182	Medicinal Cannabis Use: Results from Whistler Medical Marijuana Corporation (WMMC)'s Comprehensive Survey
Kemp	Kyle	52	Drivers of Experience in the Pediatric Inpatient Setting: Results from the Child HCAHPS Survey
Kim	Jason	184	Comparative effectiveness of timing alternatives for hip fracture surgery
Landry	Karine	40	Private Drug Plans in Canada: High-Cost Drugs and Beneficiaries, 2016
Landry	Karine	87	The cost of new oral antidiabetic drugs in Canada and internationally
Landry	Karine	88	The cost of drugs for age-related macular degeneration in Canada and internationally
Landry	Karine	89	Cost Drivers in Public Drug Plans in Canada, 2016/17
Landry	Karine	90	Cost Drivers in Private Drug Plans in Canada, 2016
Lapointe	Jonathan	165	Intégration des données médicaments à travers le continuum de soins - Évaluation de l'utilisabilité de quatre Dossiers médicaux électroniques (DMÉ)

Le	Thao Lan	102	A system-level description of substance use treatment for pregnant and parenting women in Ontario
Lee	Janelle Boram	274	Indigenous Children in Care of Child Protection Services: A Manitoba Population Study
MacKenzie	Adrian	222	Will the kids be all right? Health workforce requirements vs. supply for pediatric mental health services in Nova Scotia
Malinski	Patricia	77	Challenges and Facilitating Factors in Accessing Administrative Data for Research: Insights from the Children's Health Profile and Trajectory Initiative in NB and PEI
Manalili	Kimberly	83	Assessing the Feasibility of Implementing Person-Centred Quality Indicators in Alberta
Manis	Derek	205	Supervised Injection Facilities in Ontario, Canada: A Qualitative Content Analysis of Injection Opioid Use Problem Definition in News Media
Marshall	Emily Gard	254	Models and Access Atlas of Primary Care in Nova Scotia (MAAP-NS) Practice Profiles: An innovative approach to iterative knowledge exchange and data collection
McCarron	Tamara	38	Is conducting an evidence synthesis possible with patients?
McDonald	Ted	282	Explaining maternal complications after Caesarean Section: Results from a population-based study
Murray	Ryan	297	High Users of Primary Health Care Services Among Canadian Armed Forces Veterans
Nickel	Nathan	310	Health Services Use Associated with Alcohol Use Disorders: A retrospective cohort study using linked administrative data
Nickel	Nathan	618	Prescription pharmacotherapy for alcohol use disorder in Manitoba: a drug utilization study
Penz	Kelly	275	Testing a Model of Competence and Confidence in Rural/Remote Nursing Practice: An Interplay of Exposure/Experience, Work Environment, Community and Professional Wellbeing
Qureshi	Danial	318	Benchmarking time to initiation of end-of-life homecare nursing: A population-based cancer cohort study in regions across Canada
Rayner	Jennifer	257	Harnessing the Power of Data to Improve the Health of Populations: Learning Health Systems within Ontario Community Health Centres
Reid	Michael	303	Small Area Variations in Unplanned Repeat Hospitalization in Nova Scotia
Rios	Sebastian	111	Development and Validation of a Marginalization Index for Inpatient Psychiatry
Robertson	Caitlin	309	Physician Perspectives of Medical Assistance in Dying (MAiD): A Scoping Review
Rosella	Laura	78	Using drug administrative data to Understand the influence of sociodemographic and behavioural predictors of future high resource users
Russolillo	Angela	42	Responding to the Opioid Overdose Epidemic – The Role of Methadone Maintenance Treatment on Mortality in a cohort of Canadian Provincial Offenders.
Sakib	Mohammad Nazmus	96	Examining multimorbidity among middle-aged Canadians
Sarmiento	Ivan	240	Relationship between the number of potential users and the level of coverage of an online parenting newsletter in Quebec
Saunders	Hailey	265	Making the most out of existing data: How to show value for money using real-world community health program data
Selick	Avra	523	The feasibility and value of a peer fidelity assessment model to support program quality improvement
Selick	Avra	527	Enhancing patient centered care: What can we learn from the Ontario Common Assessment of Need?
Shoemaker	Esther	146	The applicability of the Chronic Care Model with current Canadian HIV care delivery
Shoemaker	Esther	149	The organizational attributes of HIV care delivery models in Canada
Small	Serena	244	Patient engagement in a health technology research program: Perspectives on process and lessons
Small	Serena	325	Organizational factors affecting patient handover at Vancouver General Hospital: A mixed-methods study
Smith	April	153	Investigating disparities in cancer by linking the Canadian Cancer Registry to survey and administrative databases: a collaboration between the Canadian Partnership Against Cancer and Statistics Canada
Soobiah	Charlene	147	Selecting optimal outcomes and measures in a systematic review on geriatrician-led care models: A modified Delphi study and cross-sectional survey
Thakkar	Vidhi	171	Primary care patients' preferred roles, perceived health information literacy, and trust in physician
Timony	Patrick	369	Closing the feedback loop: An innovative method of reporting outcomes from a self-directed continuing education program for physicians.
Toal-Sullivan	Darene	276	Access to Resources in the Community (ARC): Patient Navigation Integrated in Primary Care and Information Continuity
Tranchant	Carole C.	82	Can Administrative Data be Leveraged to Establish a Provincial-Level Child Health Profile and Birth Cohort Database in New Brunswick and Prince Edward Island?
Tranmer	Joan	278	Evaluation of the components of primary care integration strategies for adults with chronic health conditions: A systematic review
Trepanier	Marc-Olivier	9	Evaluation of the Effect of Discharge Planning and Transitional Care Interventions on Readmission for the Elderly
Trepanier	Marc-Olivier	10	Effect of advanced practice nurse-led interventions on hospital services use by the elderly
