DEREK MANIS

Derek Manis is an interdisciplinary health services and policy researcher and clinical epidemiologist. He is a Health Policy PhD Candidate at the Centre for Health Economics and Policy Analysis and Department of Health Research Methods, Evidence, and Impact at McMaster University. His doctoral research investigates the financing and funding of assisted living services and health service use and outcomes among retirement home residents. He has a master's in community health and a bachelor's in health sciences from Ontario Tech University, and he has a paramedic diploma from Centennial College. He is also the student representative on the Board of Directors for the Justice Emmett Hall Memorial Foundation.
