

Last Name	First Name	Abstract ID	Name of Presentation
Almost	Joan	279	A Study of Leading Indicators for Occupational Health and Safety Management Systems in Healthcare
Altin	Natasha	472	Access to Assistive Technology for older adults in Canada
Altin	Natasha	595	Shaping the future of Northern Canadian rehabilitation practice through global innovations.
Antonipillai	Valentina	357	Causal stories and agenda-setting: How organized interests redefined the problem of the refugee health policy retrenchments in Canada
Antonipillai	Valentina	359	Problems, policies and politics that placed the Canadian refugee health policy reforms on the decision agenda in 2016: An agenda-setting analysis
Armah	Naomi	367	Nursing Students' Perspectives of Intercultural Communication: A Qualitative Descriptive Study
Ashcroft	Rachelle	493	An Incentive Model for Quality Care of Depression and Anxiety in Ontario Family Health Teams: Findings from a Grounded Theory Study
Aubrecht	Katie	616	Mapping Person-Centred Dementia Care, Relational Care & Livability in Long-Term Care Research on Dementia
Barber	David	413	Material and Social Deprivation and Receipt of Opioid Prescriptions in Primary Care
Benipal	Harsukh	416	Comparative Effectiveness and Safety of Oral Anticoagulants for Atrial Fibrillation: A Population-based Canadian Cohort
Benjamin	Madeleine	451	In-hospital mental health patients in Canadian hospitals: 2006-07 to 2015-16
Bolduc	Jolianne	511	Dotation en personnel infirmier : existe-t-il un lien entre la composition des équipes et le nombre de rapports d'incidents et d'accidents dans les unités de soins critiques
Bourgeault	Ivy	549	Mental Health Issues, Leaves of Absence, and Return to Work of Canadian Physicians: A Case Study from the Healthy Professional/Knowledge Worker Research Initiative
Bourgeault	Ivy	557	Mental Health, Leaves of Absence, and Return to Work Experiences of Nurses: A Mixed Methods Study
Brown	Jaime	488	Practice-based research on innovation: Enabling transformation in Ontario's child and youth mental health system
Buote	Richard	563	Primary care lifestyle interventions for Type 2 diabetes prevention: A systematic review and meta-analysis of randomized controlled trials
Campbell	David	174	Implementation of complex interventions to reduce barriers and improve adherence to self-management of chronic conditions: A qualitative descriptive process evaluation
Castillo	Eliana	382	Protecting Every Mom & Every Baby: Improving Maternal and Newborn Health by Implementing Point of Care Immunization (POC) for Pregnant Women
Charlebois	Kathleen	460	Health Professional Level Barriers to Living Donor Kidney Transplantation: Preliminary results of a qualitative study
Chateau	Dan	517	Incorporating Home Care data into a population research data repository: Measuring Incidence, prevalence intensity, and duration
Cheng	Siu	43	Integrated Health and Social Care Case Definition
CHI	PEGGY PEI-CHI	360	The Evidence on the Associations between Natural Environments and Health Outcomes
Chowdhury	Mohammad	546	Updating hypertension prediction through meta-modeling to improve the predictive ability in general population.
Chowdhury	Mohammad	582	Social Support and Mild Cognitive Impairment (MCI) Risk at Baseline of the Canadian Longitudinal Study on Aging Study (CLSA)..
Chu	Cherry	212	Trajectories of Homeless Shelter Utilization in the At Home/Chez Soi trial of Housing First
Cressman	Sonya	578	Patient reported quality of life and personal financial impact following treatment for rare blood cancers: A longitudinal study
Demers-Payette	Olivier	408	Reflective approach, audit & feed-back and learning systems applied to chronic disease management: a literature review
Dimick	Sarah	410	Digital Technology Adoption for BC's Health System; Six Pathways for Success
DiMillo	Shanna	537	Seeing beyond the big picture: medical workforce change at the specialty and subspecialty level
Dionne	Emilie	479	Narrative-based Methodology for Qualitative Health Research: Ensuring Rigor, Consistency and Efficiency in a Mixed-Methods Health Research Evaluation Protocol
Dionne	Emilie	482	Perspectives of Socially Vulnerable Patients and their Providers on Challenges to Accessing Primary Health Care: A qualitative analysis
Dogba	Maman Joyce	329	Funding DAC - The study survey on diabetes related complications that helped start SPOR Network Diabetes Action Canada
Dogba	Maman Joyce	331	'My research is your research' - Engaging patients as experts:The case of Diabetes Action Canada's Patient Circles
Doktorchik	Chelsea	592	Coding Agreement on Identification of Main Resource Use Using ICD-10 and ICD-11
Eastwood	Cathy	610	Advancing data collection of hospital-related harms: Innovations with International Classification of Disease 11th Beta Version (ICD-11)
Farmanara	Noushon	415	Integrating primary medical care and community-based services in Canada: A cross-provincial analysis of structures and policies that govern multi-sector integration
Fisher	Kathryn A.	342	Impact of Multimorbidity Including Mental Health Conditions on Disability
Fox	Mary	574	The Relationships Between the Geriatric Practice Environment, Nursing Practice, and the Quality of Hospitalized Older Adults' Care in Ontario
Fox	Mary	577	Nurses' Perspectives on the Geriatric Practice Environment and the Overall Quality of Older People's Care in Ontario Acute Care Hospitals
Gagnon	Danie	535	Identifying and responding to the needs of older francophone women of New Brunswick who experienced intimate partner violence in later life
Garces Davila	Isabel	348	Mental Health Care Utilization Among Youth with Mental Disorders: Hours and Types of Services Consulted
Garces Davila	Isabel	605	Post Traumatic Stress Disorder in Victims of Child Abuse: The Role of Social Determinants on Mental Health Care Utilization
Gardner	William	469	Changing Rates of Self-Harm by Sex in Adolescents Presenting to Ontario Emergency Departments: A Repeated Cross-Sectional Study
Geransar	Rose	548	Leading the Future of Healthcare: Broad Spectrum Collaborative Partnerships to Enhance Healthcare Performance
Gilbert	Frederic	559	Towards learning healthcare systems: The direct and indirect contribution of knowledge organizations to reflexivity and change
Gill	Ashlinder	375	Homecare Intensity at the End-of-Life: Measuring Access and Outcomes in Ontario Decedents
Gill	Ashlinder	380	"I think he felt too vulnerable at home..." A Qualitative Study Exploring the Impact of Functional Limitations on Accessing Community-Based Primary Care for Older Adults
Goldsmith	Laurie	611	The Importance of Developing and Maintaining a Strong Foundation for Successful Patient Engagement
Gruneir	Andrea	522	The Impact of the Data Source Used to Assess Multimorbidity on Associations with Health Service Utilization: A Comparison of Self-Report and Administrative Data
Gutberg	Jennifer	572	Exploring the Role of Distributed Leadership and Middle Management in Fostering Patient Safety Culture
Hackett	Christina	377	Harnessing experiences of youth, family members and service providers for co-designing health system improvements: The case of care coordination in youth mental health services
Haggerty	Jeannie	399	Back to the drawing board: using rapid cycle evaluation to collaboratively re-design an organizational intervention to enhance access to primary care for socially vulnerable population
Hennessy	Deirdre	513	Using linked population-based data to investigate acute care hospitalization for sepsis in Canada: a retrospective cohort study
Ho	Julia	558	Care planning and coordinated care plans: understanding the Health Links approach to caring for people with complex health and social needs
Hwang	Jongnam	550	An examination of neighbourhood environment and unmet health care need in urban cities: Comparing Toronto, Canada and Seoul, Korea
Ip	Michael	338	Using machine learning techniques to predict entry into long-term care
islambouli	rayane	355	Utilization of e-prescribing in Quebec – challenges and opportunities

Kadu	Mudathira	354	Predictors of Hospitalization in Long-Term Care Residents Living with Heart Failure in Ontario: A Retrospective Cohort Study
Kadu	Mudathira	569	A Cost Utility Analysis of Using the Kidney Failure Risk Equation as a Referral Criteria to Access Multidisciplinary Care for Patients with Chronic Kidney Disease in Ontario, Canada
Kastner	Monika	442	An Idea Worth Sustaining: Evaluating the sustainability potential of the Choosing Wisely initiative across five Ontario-based community hospitals and affiliated family health teams
Kastner	Monika	461	Underlying mechanisms of complex interventions addressing the care of older adults with multiple chronic conditions: A realist review
Kavandi	Hamidreza	185	Health Information Technology Adoption by seniors in the community: A Systematic Review
Koh-Bilodeau	Bernadee	424	Improving the Measurement of Patient Experience with Transitions in Care in Ontario
Koval	Andriy	566	Severity and Burden of Mental Health: Techniques for stratifying chronic conditions based on linked clinical history
Kuenzig	Ellen	514	Variation in the care of elderly-onset inflammatory bowel disease: a comparison of Local Health Integration Networks and Multispecialty Physician Networks
Leclair	Marichelle	333	The impact of interventions for homeless people with mental illness on criminal justice outcomes and costs: A scoping review
Maas	Esther	491	Cost-benefit analysis of gradual return-to-work for workers with a musculoskeletal disorder in British Columbia
MacLeod	Martha	575	The geographical shaping of practice: Differences in rural nurses' experiences across Canada's provinces
MacNeil	Maggie	387	Development and Testing of a Web-based Resource on Policies and Regulations for Health Technologies
Manogaran	Myuri	423	Interprofessional collaboration as a catalyst to enhancing efficient and effective transitions of neonatal patients from the neonatal intensive care unit
Manogaran	Myuri	480	The new normal: Employment time lag after specialty medical certification in Canada
Marani	Husayn	361	Out-of-Pocket Costs incurred by Family Caregivers of Persons Living with Dementia in Canada: A Scoping Review
Martin-Misener	Ruth	571	Partnering with patients and families in decision making and program/service planning processes: Quality and Safety Teams in Primary Health Care in Nova Scotia
Mathews	Maria	431	Away and back again: experiences of Canadians who study medicine abroad (CSA)
McCaughy	Deirdre	492	Retail Health Clinics: Are They Shaping Tomorrow's Healthcare System?
McCaughy	Deirdre	509	Driving Health Behaviour: The roles of personal health information use and patient attitudes towards health
Menear	Matthew	581	Clinician-based instruments for measuring the integration of mental health and addictions services within primary care: A systematic review
Milan	Raymond	339	The influence of side effects on adherence to antidepressants among older adults
Modayil	Mary	556	Meeting the unmet needs of older adults and their caregivers through evaluation of a chronic disease self-management program
Montesanti	Stephanie	434	Patients as Partners: Findings from a Primary Health Care Engagement Project to Explore Albertan Values on Patient Attachment and the Health Home Model
Mulvale	Gillian	536	Co-Designing Services for Youth with Mental Health Issues: Novel Elicitation Approaches
Mulvale	Gillian	593	Operationalizing Experience-Driven Innovation through Integration of Peer Support in Clinical Mental Health Systems in Canada and Norway
Mulvale	Gillian	599	Co-designing health and social services with vulnerable and disadvantaged populations: Insights from an International Collaboration
Otero Varela	Lucia	441	Empowering knowledge generation: the IMeCCHI-DATANETWORK
Otero Varela	Lucia	538	ICD-coded data features and coding training worldwide
Pomey	Marie-Pascale	494	The Partnership Co-Design Lab : A methodology to Co-construct intervention with patients and evaluate them
Ramayanam	Venkata	544	Manitoba First Nations Regional Health survey Phase 3 (2015-2016) results
Ramayanam	Venkata	545	Telling our own stories through data in Manitoba First Nations
Read	Emily	396	Employee and Family Assistance Use at New Brunswick Nursing Homes: Results of a Pilot Study
Scott	Mary	438	Does Inpatient Palliative Care Consultation Improve Transitions into the Community for Frail Patients with Life-Limiting Conditions?
Singal	Deepa	414	Using Open Space Technology to Develop a Provincial Cross-sectoral Strategic Plan for Manitoba in 7 Days: You can do it too
Sinn	Chi-Ling	312	Applying Multi-State Models to Understand Changes in Home Care Client and Caregiver Health
Sivananthajothy	Priatharsini (Tharsini)	473	To Have A Planned C-Section Or Not: Exploring The Decision-Making Experiences Of Migrant And Canadian-Born Women
Smith	Andrea	603	Integrating patient engagement and qualitative evidence synthesis in a health technology assessment – an example from CADTH
Stamenova	Vess	450	A structured approach to developing and testing the value proposition of remote monitoring and self-management tools for COPD patients.
Stock	David	291	Geographic variation in acute care Alternate Level of Care utilization across Nova Scotia
Stock	David	484	Geographic variation in Maritime orthopaedic surgery utilization: A 12-year perspective
Sun	Winnie	612	Living Well with Dementia: The role of Community-Based Programs in Promoting Social Connectedness for Persons with Dementia and Their Caregivers
Tang	Terence	597	Evaluating the impact of an electronic communication tool on patient experience, ED visits and re-hospitalization, and care transitions in hospitalized patients (including those with de
Thompson	Katherine	392	Differentiating patient navigators from case managers: A scoping review
Thompson	Katherine	398	Adopting a nurse practitioner clinic into an existing community organization to support unaffiliated patients: A case study
Torres	Sara	570	Measuring Adverse Childhood Experiences, Current Health Challenges and Factors Promoting Resilience in Primary Health Care
Trowbridge	Joslyn	381	Governing Principles and Process for Diabetes Action Canada's Data Repository for Patient-Oriented Research
Vik	Shelly	531	The Alberta Primary Health Care Integration Network – Partnerships and Priorities
Walsh	Edmund	403	The Mediating Influence of Psychological Capital and Professional Practice Environments on the Relationship Between Authentic Leadership and Bullying Among Experienced Register
Wilkinson	Andrea	376	Developing a Composite Quality Score to Support Performance Improvement in Long Term Care
Wozniak	Lisa	388	Toward a better understanding of the organization of type 2 diabetes care in 6 First Nations communities in Alberta
Yau	Matthew	576	Sustainable Financing for Infant Hearing Impairment Interventions: An Overview of Global Strategies
Young	Victoria	586	Home-Based Medical Diagnostic Services for Older Adults in Urgent, Low Acuity Situations: A System Level Snapshot of Current Challenges and Motivations
Zarrin	Aein	464	The Implications of Language Barriers Among Iranian Older Adults in South-Western Ontario: A Qualitative Analysis
Zeidan	Jinan	585	Progress, Challenges, and gaps for autism policy in Quebec
Zoratti	Michael	462	An exploratory analysis of predictors of concordance between Canadian Common Drug Review reimbursement recommendations and the subsequent decisions by Ontario, British Co
