(Everything you need to know, Florence Nightingale knew first)

Canadians overwhelmingly support stronger measures to fight COVID-19, Ipsos poll suggests

and 1,240 boxes of gloves

WEEKEND CONSUMPTION: May 2 - 3, 2020

CHEO

Daily COVID-19 tests per thousand people

The figures are given as a rolling 7-day average. For countries that do not report testing data on a daily basis, we assume that testing changed equally on a daily basis over any periods in which no data was reported.
