### **OPENING PLENARY**

Tuesday, May 31, 2022 10:30am to 11:45am EDT

### "The Power of Canadian HSPR"

Health services and policy research is pivotal in the design of evidence-based healthcare and health policy. Virtually CAHSPR 2022 is an opportunity to showcase the work of our community of researchers. Join our dynamic panel of Canadian leaders as we kick off the conference by exploring, recognizing and celebrating the power of Canadian HSPR.

Panelists Include:

### HALL LAUREATE PRESENTATION

Wednesday, June 1, 2022 10:30am to 11:45am EDT

### "Moonshot: Modernizing the Canada Health Act"

Presented by the 2022 Hall Laureate COLLEEN FLOOD

A truly comprehensive health care system, fit for the 21st century, must offer more than the 1960s core of hospital and physician services currently protected by the Canada Health Act (CHA). Can we reimagine a Canada Health Act that supports a truly comprehensive and accessible health care system? How do we achieve this in a disaggregated federation, while respecting constitutional divisions of power? Can medicare break free of the mediocrity that has seen Canada too often of late rank near the bottom of international comparisons? In this Hall Laureate moonshot talk, Dr. Flood will challenge us as she explores big picture visions for reforming the CHA, and links these to immediate policy pathways for the federal government to insure dental services.

Moderated by Maria Mathews

Emmett Hall Memorial Foundation

### PLENARY PRESENTATION

Wednesday, June 1, 2022 12:00pm to 12:45pm EDT

### "Joy, Hope and Positivity Through Bhangra Dance"

### Presented by Gurdeep Pandher of the Yukon

Gurdeep Pandher is a Yukon based, Bhangra artist and educator. He creates performance pieces that bring together people from all backgrounds while promoting inclusivity. Currently, he is best known for bringing joy, hope and positivity during the pandemic through his online dance classes and videos. The dance performances and videos are watched by millions of viewers throughout the world. Gurdeep's works have been published by many international art and media organizations including BBC News, CBC National, The Globe and Mail, NBC, etc. Gurdeep was also named "This week's Greatest Canadian" by Global News Radio! Gurdeep's sessions are a good workout and a happy way to introduce physical activity. For more information, please visit Gurdeep.ca
